

## **Social Studies Regional Forum**

This collaborative effort is designed to bring together Social Studies leaders (department chairs, curriculum coordinators, building principals, lead teachers and others) in order to provide opportunities to support curriculum, instruction, and assessment practices that help students learn. To enhance the quality of this collaborative effort, it is important that participants are available to attend all dates listed.

Participants will:

- Share resources and successes with colleagues
- Learn about “Best Practices” in the region **from each other!!**
- Receive current information from NYSED and other sources
- Help shape regional professional development
- Set other initiatives for the group throughout the course of the year
